

Halving Car Rego Concession Costs

The Greens will half the amount concession card holder pay for motor vehicle registrations and renewals.

The cost of living is becoming increasingly unaffordable for many Tasmanians. People are being hit hard with the increasing costs of power bills, groceries, rent, transport and other essentials.

For many Tasmanians, vehicle registration costs are a significant expense that is difficult to find the money to pay for.

Despite this, the concession rate for cars is between 14% and 20%, and as low as 7% for motorcycles. For most vehicles concession card holders will pay close to, or more than, \$500 a year for their registration.

This is nowhere near good enough.

Our plan will more than triple the current concession rates, and see concession card holders save between \$200 and \$380 for their car registration.

Budget (\$m)

Year 1	Year 2	Year 3	Year 4	Total
13.10	13.30	13.50	13.70	53.60
